

YOUR OLD PRINTER CAN EARN YOU UP TO \$700 CASH BACK!

HP Color LaserJet CM4540fsk

By purchasing a new HP printer from Governor Business Solutions, **you can save up to \$700** when you trade in your old desktop laser or ink printer – any make, model or working condition - and upgrade to a new model from the eligible printer list. Governor will even pick-up your trade-in desktop laser or ink printer for recycling. **Trade in a non-HP printer and receive an additional rebate of up to \$50.00!**

Buying a new HP LaserJet MFP printer can more than pay for itself.

- **DO MORE.** New HP Printers are often 3 times faster than older models.
- **GO GREEN & REDUCE ENERGY USE.** Reduce paper usage up to 50% with automatic two-sided printing and save up to 50% on energy's use with HP's Instant-On-Technology. New HP printer models are all ENERGY STAR qualified printers.
- **MAXIMIZE OFFICE SPACE.** Copy, print, scan-to-email, and fax all from one device! Color scanning is standard on all HP MFP's.
- **GET CASH BACK.** Get up to \$700 CASH BACK when you purchase a selected HP printer from the eligible printer list and trade-in your old desktop or ink printer for free recycling. Governor will even pick-up your printer.

Here's how the HP's 2011 Trade-in & Save Program works:

- For each new printer selected and purchased from the eligible list of printers, one old desktop laser or ink printer must be traded in.
- All previously-owned desktop laser or ink printers, any brand, in any working condition are accepted for trade-in.
- Governor will pick-up your old desktop laser or ink printer for recycling.
- All desktop and ink printers traded in will be recycled in an environmentally responsible manner.
- Governor will file the necessary trade-in forms and a check will be issued directly from HP.
- Promotion period runs from January 1, 2011 thru December 31, 2011.
- Contact your GBS Account Manager for additional program information.
